

Meridian Fleet Systems - Price List and Discounts

STANDARD LIST PRICES (per vehicle per month, billed annually)

Starter	14 euros	up to 25 vehicles
Standard	29 euros	minimum 25 vehicles
Enterprise	44 euros	minimum 250 vehicles

Route Planner add-on	6 euros per vehicle per month
Driver Safety add-on	5 euros per vehicle per month
Spare telematics dongle	39 euros one-off per vehicle

VOLUME DISCOUNTS

Discounts apply to the base plan only, never to add-ons.

100 to 249 vehicles	5 percent
250 to 499 vehicles	10 percent
500 to 999 vehicles	15 percent
1000 vehicles or more	quoted individually by the deal desk

A sales representative may approve up to 10 percent without escalation. Anything deeper needs the regional director, and discounts over 25 percent need the chief revenue officer.

MULTI-YEAR TERMS

A two year commitment earns a further 8 percent off the base plan. A three year commitment earns 12 percent. Multi-year pricing is locked for the term and is not subject to the annual uplift.

ANNUAL UPLIFT

Single year contracts renew with a price uplift capped at 4 percent, or the eurozone consumer price index, whichever is lower.

PAYMENT TERMS

Invoices are due 30 days from issue. Payment is by bank transfer or direct debit. Meridian accepts euros, pounds sterling and US dollars, and no other currency.

Purchase orders are accepted from Enterprise customers only. There is no credit card payment option at any plan level.
